

STOTT PILATES™

# Intensive Reformer

The Reformer is the most popular piece of equipment in Pilates. Learn how to use this highly versatile tool to program and instruct personal training and group classes with confidence using hundreds of spring-resistance exercises.

**Next Steps**  
Interested in expanding your repertoire?  
Try AR, IMP or ISP.

This course teaches how to design and instruct Level 1 (Essential and Intermediate) Reformer workouts in a personal training and group setting for a range of clients. Learn a variety of modifications and variations to expand programming options.

### Instructors Learn

- ▶ Effective use of the Reformer to enhance torso stability and strength, peripheral conditioning, joint stability, flexibility, balance and coordination
- ▶ How to develop programs for personal and group classes
- ▶ Essential, Intermediate and Power workouts
- ▶ Effective communication and observational skills, verbal cueing and imagery for performance enhancement and client motivation
- ▶ Modifications for specific body types, postural issues and conditions
- ▶ Theory and practice of postural analysis
- ▶ Exercise layering for effective program design
- ▶ 122 exercises plus multiple modifications

### Prerequisites

- ▶ Working knowledge of functional anatomy
- ▶ Three-plus years teaching movement or fitness\*
- ▶ 30 hours Pilates classes/workouts

\* Applicants with a strong history of Pilates participation and/or experience instructing students/clients in another field may also be considered

### Equipment Presented

- ▶ Reformer
